Welcome to the Annual Mothers' Basketball League at IHM. We are a league built on sportsmanship and love of the game. We have had great success and have grown from four to eight teams. You must be willing to play on the team that drafts you. We ask that if you do not agree with our principles then please go join another league. Please read the rules. Swearing is reason enough for a technical. Have consideration for the fans. **Remember it is the last game that counts!!!!!!!** Let's have a good season and good luck to everyone. I always have a waiting list so if you do not agree with our philosophy you can go join another league now and your money will be gladly refunded.
